NEW PLAY CONTROL!

# MARIO POWER TENNIS

## POWER UP YOUR TENNIS GAME!

The wild multiplayer action of the Nintendo GameCube hit, ***Mario Power Tennis,*** returns with added Wii controls and widescreen presentation.

With Wii controls, simply swing the Wii Remote controller to hit forehands and backhands and to apply spin. Experienced gamers have the option to attach a Nunchuk™ controller for additional precision.

Play as familiar characters from the Mario universe. Every character has a defensive and offensive Power Shot that can send opponents reeling or return out-of-reach balls.

Challenge friends in multiplayer games or progress through tougher and tougher tournaments in singles and doubles play.

NEW PLAY CONTROL!

# PIKMIN™

## EXPLORE THE PLANET OF THE PIKMIN

With all-new Wii controls, commanding an army of ***Pikmin*** has never been easier.

Captain Olimar has crash landed on a strange, alien world. With the pieces of his ship scattered across the planet, his only hope for survival lies with curious creatures he calls Pikmin. The captain must rally his newfound Pikmin friends and find the missing pieces of his ship ... before it's too late.

Simply point the Wii Remote controller at the screen to wrangle an army of Pikmin and put them to work.

Take command of up to 100 Pikmin and order them to swarm dangerous predators, demolish barriers and haul critical parts back to their ship.

NEW PLAY CONTROL!

# DONKEY KONG JUNGLE BEAT™

## CONQUER KINGDOMS

Swing through the jungle in Donkey Kongs's craziest adventure ever! ***New Play Control! Donkey Kong Jungle Beat.*** You'll run, jump, backflip, and punch your way to greatness–now with new controls for the Wii console.

You'll brave the jungle in this action-adventure as only Donkey Kong can: swinging, soaring, swimming, and using acrobatic moves! But the goal isn't just to run through levels. It's to string moves together to travel like a daredevil, touching ground as little as possible.

Use the buttons and Control Stick on the Wii Remote and Nunchuk controllers to move Donkey Kong, and you'll swing the Wii Remote controller to grab objects and clap with devastating power. When it comes time to box, you'll punch with both hands!

# A NEW WAY TO PLAY

The ***NEW PLAY CONTROL!*** series of games for the Wii™ console reinvents classic games that originally appeared on the Nintendo GameCube™ system. By taking advantage of the capabilities of the Wii console, the ***NEW PLAY CONTROL!*** titles redefine the experience of the original game, inviting players to enjoy revamped controls.

# SEE THE DIFFERENCE

If you've already played these titles when they were originally released for GameCube, you won't just be able to feel the difference with the ***New Play Control!*** series, you'll be able to see it too! Every ***NEW PLAY CONTROL!*** title is presented in widescreen, making for a more visually appealing playing experience.

# NEW PLAY CONTROL!

***NEW PLAY CONTROL!*** is a brand new series of classic titles originally released on the Nintendo GameCube system, and revamped with enhanced Wii controls. Now using the unique controls of the Wii Remote™ controller, these titles are easy to pick up and play even for those new to video games.
